

**STAFF AUDITOR II**  
Vermont State Auditor's Office

- Are you an exceptionally talented, knowledgeable, and motivated individual that would like to work in a small, dynamic organization?
  
- Are you result-oriented and inspired to improve how your tax money is spent?

We have a Staff Auditor II position available for professionals who want a position that offers analytical and problem-solving challenges, a strong teamwork ethic, professional development, a flexible schedule, and generous leave and retirement benefits.

This position requires progressive levels of education and experience in auditing. Preference will be given to candidates with performance auditing experience or expertise in applying complex methodological and research techniques. Candidates must also demonstrate excellent writing and oral communication skills.

The salary range is: \$45,448 - \$58,157.

For more information on how you can join our audit team as we focus our work on evaluating whether government policies and operations are performing effectively and economically, please contact Chief Auditor Tanya Morehouse at: [tanya.morehouse@state.vt.us](mailto:tanya.morehouse@state.vt.us)

Applications must be submitted on line on the State of Vermont Human Resources website at: [www.vtstatejobs.info](http://www.vtstatejobs.info). Please reference job requisition # 31009.
